In past years you may have sponsored this tournament by advertising your company name at a given hole or sponsored a hole in one or contributed funds for longest drive, hit the green or closest to the pin contests.

Once again we are asking for your assistance. The proceeds of this golf tournament will be given to the Children's Wish Foundation, an organization committed to granting wishes to children with life threatening illnesses. Your sponsorship plays a vital role in the amount of funds we will be able to donate.

Please confirm by return fax if you would like to support us this year by ticking off one of the following choices.
